

Trips & Dips

is S.T.E.A.M.-ing Up this Summer!

Summer Location:

Academy Primary School (APS)
10107 Darnestown Rd.
Rockville, MD 20850

Trips & Dips has an **AMAZING** summer of **Science, Technology, Engineering, Art & Math** planned and we can't wait for it to begin! We understand how important it is for your child to have a **fun, enriching, and yes...EDUCATIONAL** summer experience.

Grades K-5

Weekly Field Trips to Academy S.T.E.A.M. Labs at our Cold Spring and DuFief Elementary School Satellite Locations.

Here's how it works...

Our highly trained staff at Trips & Dips, many of whom are employed by Academy all year round, specialize in creating fun, exciting and lasting memories for children of all ages! Part teacher, part activities coordinator, part friend – our experienced staff know how to provide just the right level of guidance and care. Children are grouped based on age to ensure developmentally appropriate activities and experiences. We understand how important it is for parents to know that their child is being supervised by mature, responsible adults in a licensed, regulated and accredited child care program.
